

# POLLINATOR Picnic

Celebrate our hard-working insect pollinators with some fun and food.

Whether it's at home or at the park (depending on your COVID restrictions), spread out a rug and celebrate our magnificent pollinators with a picnic.

Try participating in the Wild Pollinator Count to fully enjoy their wondrous diversity.

Australian Pollinator Week acknowledges our important and unique insect pollinators during our southern spring in November. A designated week when community, business and organisations can come together to raise awareness of the importance of pollinators and support their needs.
